Cline noted that over the next few days he will be briefing various officials on his [ ] trip. He said that a White House request for a history of Communist forgeries in the [ ] would be handled by the International Communism Staff in DDP. The DDCI requested that the specific requestor in the White House be determined. Cline reported that [ ] had bought several [ ] which have been outstanding [ ] requirements. He noted a recent ORR briefing of the Interior Department on the world oil situation which concluded that due to the availability of oil there was a virtual stand-down in nationalization of the industry.
